

PROUDLY BROUGHT TO YOU BY

SAX AND VIOLINS
RACING (Pty) Ltd

Get behind the wheel and drive with confidence

We offer driver training for all levels • From beginner to advanced driving courses

BEGINNER / DEFENSIVE DRIVING COURSE

Includes theory lesson and skidpan

This course requires the student to bring their own vehicle, and is designed for beginner / road drivers, it focuses on safety and awareness. It gives a basic understanding of car dynamics and control, with a view to making safe, conscious and confident road users. Ideal for K53 graduates who are looking to be safer on the roads.

- CAR CONTROL AND SAFETY
- EMERGENCY BRAKING
- ACCIDENT AVOIDANCE
- SITUATIONAL AWARENESS

Practical lessons on wet skidpan includes:

- Emergency braking
- “Moose test”
- Slalom and braking

From R4000 per day • Max 16 students

INTERMEDIATE DRIVING COURSE

Includes theory lesson, skidpan and main track

This course is designed for advanced road / beginner track drivers, it focuses more on car control and car dynamics. The course will give a better understanding of car dynamics like weight transfer and grip levels with a view to making safer, and more confident drivers on road and track.

- ADVANCED CAR CONTROL
- VISION AND AWARENESS
- UNDERSTEER / OVERSTEER
- WEIGHT TRANSFER

Practical lessons on wet and dry skidpan includes: slalom, understeer vs oversteer exercises and drift track.

Practical lessons on main track includes: application of techniques learned and car control on the limit of grip.

From R5000 per day • Max 8 students

ADVANCED DRIVING COURSE

Includes theory lesson, skidpan and main track

This course is designed for advanced track drivers.

It focuses on advanced techniques like heel and toe shifting and trail braking. The course presumes an understanding of vehicle dynamics and aims to refine techniques to go faster on track.

- ADVANCED CAR CONTROL
- REFINING TECHNIQUE
- HEEL AND TOE / REV MATCHING
- TRAIL BRAKING

Practical lessons on dry skidpan includes: understeer vs oversteer exercises and drift track if required, heel and toe and trail braking.

Practical lessons on main track includes: application of techniques learned and car control on the limit of grip.

From R5000 per day • Max 4 students

* It is recommended that you bring your own vehicle for all these courses, the wet skidpan does little wear and tear. Main track wear and tear will depend on the driver and car. For heavy track use we recommend upgrading your brake fluid to at least Motul RBF660 to avoid boiling brake fluid issues.

Audi A3 race car available for rent subject to availability
